## After School Spring Semester Sign-Up Overview

### Important Notice

Students who have a remaining balance outstanding from September, October and November for after school fees will be able to register for after school. However, students **will not be able to attend after school** in January until the balance is satisfied.

### Overview

The second semester of after school begins Monday, January 7, 2019 and runs until Friday, May 24, 2019. Unless otherwise noted, after school is in session every day school is in full session.

### Registration

The spring semester after school registration window opens immediately and runs through Friday, December 21st.

As a reminder, students choose from a variety of classes per their grade level offerings. If they attend after school all week, they may choose up to two different classes as classes run Monday, Wednesday, and Fridays and then again on Tuesday and Thursday.

Please follow the appropriate grade-level link to register your child for both returning and new applicants. Every child who plans on attending after school must have a form filled out in order to register.

You will receive a confirmation email immediately stating your preferences.

Beginning **December 10, 2018**, confirmation emails will go out with your child's confirmed spring classes.

### Class Descriptions

Class descriptions can be found online on the website, as well as here.
